

ARC WRAP AROUND is an innovative brand new frame structure developed in order to obtain **curved** screens up till 180°.

This screen is suitable to be used both with front projection surfaces and with rear projection fabrics.

Arc is an excellent solution for **simulation rooms** like for military, defense or medical purposes; for **leisure** and **theme parks** or **museums** where the spectator has to be completely involved inside the projection.

This product is indicated in all **edge-blending** applications.

Available in bespoke sizes and bespoke radius.

Warranty: 24 months
